Subject: About availability of every registered document for search in the online system.

Circular

The Department of Registration and Stamps is an active participant in the Ease of Doing Business (EoDB) program of the Government of Maharashtra.

As a part of EoDB, the Registration and Stamp Department has undergone significant reforms in the state. Accordingly, various services provided by the department are being provided online.

Under EoDB, the Registration and Stamps Department has implemented the concept of online platform for faster service delivery.

Under this, every document registered in the Registration and Stamp Department is available for search in the online system. The facility to download Index II document is also provided in the system. At the same, gender-disaggregated data is available on the given platform.

The department has made the search facility available in the online system considering all aspects of transparency, ease of use, user friendliness, internal efficiency, and accountability of the government towards citizens and businesses for the Government to Citizen (G2C) and Government to Business (G2B) service delivery system.

This is for information and implementation of facility on the department level.
